The Naples Beach  
Hotel & Golf Club

**TIP:**

As you may know, summer is the off season here. What you might not know is that many local resorts and hotels offer discounts over the summer, and if you explain that you're a local, they might even give an additional discount. All you have to do is ask.

**The Naples Beach Hotel & Golf Club** One of the beautiful advantages of staying at a resort is that many have a kids' club of some sort, where mom and dad get to go do their own things while the kids have fun in the program. The Naples Beach Hotel has a complimentary, professionally supervised, daily Beach Kids Club program for ages 5-12. The resort also has programs for teens, such as teen volleyball tournaments, beach Olympics and scavenger hunts. The resort also has beachside pools, water sports, a spa, tennis, Gulf-view dining. Over summer, the resort is also offering a third night free special. Resort concierge Kathy English made numerous recommendations for our staycation itinerary. • Where: 851 Gulf Shore Blvd. N., Naples • Details: [naplesbeachhotel.com](http://naplesbeachhotel.com)
